

## Church Hill Medical Mission

is a community-based clinic serving uninsured, low-income residents of Hancock, and Hawkins County, TN and Scott County, VA regardless of their ability to pay.

## Our Patients Are Our Neighbors

Ensuring that those who live and work in our community have access to appropriate medical care makes our community a healthier place for all.

**100% of our patients live at or below the federal poverty line**

**77% lack a regular medical provider**

**63% lack healthcare insurance**

**41% cannot afford to buy their medications**

## Healthcare For All

The counties we serve are home to more than **84,924 residents** who are medically underserved. Some lack health insurance or are ineligible for Medicaid. Many end up seeking care in costly hospital emergency departments or defer care until a more serious condition forces them to receive emergency care.
